FOCUS ON SMALL EVENTS

.....is being led by Lyn Kidby, and is one of our seven fundraising focus teams. It is a vital part of our approach to raising the funds for the Mead Centre.

The value of the team is demonstrated in the money raised by the two events in February:

Lyn's  Jewellery event raised **£90**and....

AJ's  Musical Soiree raised **£250**

This is a fantastic result!!!

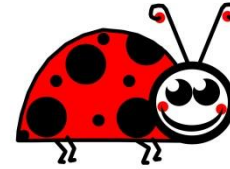

The funds raised are obviously important but crucially, many of those who attended the events are not part of our wider Church Family, which means that we are spreading the fundraising to a much wider audience. These events also increase awareness of our plans for the Mead Centre amongst those in the town and beyond.

We should be having at least one event every month – if you don't think you can arrange an event by yourself ask a friend for help!!

THEN TELL LYN WHO WILL AGREE A SUITABLE DATE WITH YOU.

On the next page are some ideas to set you thinking about possible events that you could arrange.
